Main Post Office, Box 1513

9 June 1960

Dear Harold:

I am off for Europe on Sunday for a couple of weeks, but when I get back I expect to start planning seriously for the African trip in August and I shall be in touch with you.

Meanwhile, I regret not to have a final answer on the matter we discussed some weeks ago but it is not being neglected.

Sincerely,

Mr. Harold K. Hochschild
